## III. Education

### A. Update on Education Committee

Dr. Althea Greene has become a member of the Education Committee. PES staff, Jamie Kennedy and LaBrenda Thomas gave a recap presentation, sharing where the school year ended.

Deadre shared that teachers were able to interact with a high percentage of students following the school closing as a result of COVID -19.

Jamie shared compelling growth measure data from August 2019 - December 2019 with the Board. Using a three tier growth model where Tier 1 represents students on grade level, Tier 2 represents students one grade level behind and Tier 3 represents students two or more grade levels behind, the following data was reported:

- For Reading growth measures:
  - For kindergarteners, 17% came into the school year in Tier 1
    - 49% were in Tier 1 by December 2019
  - For 1st graders, 3% in Tier 1
    - 16% were in Tier 1 by December 2019
  - 25% of incoming students came into the school year in Tier 3; by December, 3% of those students were in Tier 3
- For Math growth measures:
  - For kindergarteners, 8% came into the school year in Tier 1
    - 32% were in Tier 1 by December 2019
  - For 1st graders, 36% came into the school year in Tier 3

- 6% were in Tier 3 by December 2019

Jamie concluded this presentation by sharing information about proficiency measures and optimism about a positive outcome of student exam results had they been able to take the exam based on their academic trajectory.

LaBreanda gave a Fall sale data recap.

- SY19-20:
